City Budget Office
CONSULTANT AGREEMENT
Capital Project - Financial and Strategic Advice
AGREEMENT NUMBER: DC CBO 2011 01**

This Agreement is made and entered into by and between the City of Seattle ("the City"), a Washington municipal corporation, through its City Budget Office, as represented by the Director; and Stafford Sports LLC ("Consultant"), a limited liability company.

1. TERM OF AGREEMENT.

The term of this Agreement shall begin when fully executed by all parties, and shall end on October 28, 2011, unless amended by written agreement or terminated earlier pursuant to the provisions hereof.

2. TIME OF BEGINNING AND COMPLETION.

The Consultant shall begin the work outlined in the "Scope of Work" section (the "Work") upon receipt of written notice to proceed from the City. The City will acknowledge in writing when the Work is complete. Time limits established pursuant to this Agreement shall not be extended because of delays for which the Consultant is responsible, but may be extended by the City in writing, for the City convenience or for conditions beyond the Consultant's control.

3. SCOPE OF WORK.

The Scope of Work for this Agreement and the time schedule for completion of such work are described in Exhibit A – Scope of Work, which is attached to and made a part of this Agreement.

The Work shall, at all times, be subject to the City's general review and approval. The Consultant shall confer with the City periodically during the progress of the Work, and shall prepare and present such information and materials (e.g. detailed outline of completed Work) as requested by the City to determine the adequacy of the Work or the Consultant's progress.

4. PAYMENT.

- A. Upon execution of this agreement, the City of Seattle shall pay the Consultant a monthly retainer fee of \$19,500 for each month (30 days) of service from the start date of this agreement, for three months. The City reserves the right to terminate this agreement after two months (60 days). A fee for the third month will only be paid upon approval to move forward by the City.

Total compensation under this Agreement shall not exceed \$58,500 unless modified by a written amendment to this Agreement. The parties agree that the hourly rate includes all direct, indirect, and fixed fees for the project.

- B. This contract is a payment negotiated on the basis of cost, and shall include only those costs allowed under Part 31 of the Federal Acquisition Regulations (FAR), the provisions of which are incorporated herein by reference.

- C. If the Agreement specified reimbursables to be compensated by the City, the following limitations on such compensation shall apply. If no travel or direct charges are specifically identified and allowed for in the Agreement, then the City shall provide no reimbursement.
- a. City will reimburse the Consultant at the actual cost for expenditures that are pre-approved by the City in writing and are necessary and directly applicable to the work required by the Agreement, provided that similar direct project costs related to the contracts of other clients are consistently accounted for in a like manner and such costs do not exceed the guidelines below. Direct charges may include, but are not limited to, the following items: travel, printing, long distance telephone, supplies, computer charges, and fees of subconsultants.
 - b. The billing for direct expenses that have been approved and specifically identifiable with this project shall be on an itemized listing of the charges supported by copies of the original bills, invoices, expenses accounts, subconsultant paid invoices, and other supporting documents used by the Consultant to generate invoices to the City. The original supporting documents shall be available to the City for inspection upon request. All charges must be necessary for the services provided under this Agreement.

The Consultant, without additional compensation, shall correct or revise any errors or mistakes in the designs, drawings, specifications, and/or other consultant services immediately upon notification by the City. The obligation provided for in this Section with respect to any acts or omissions during the term of this Agreement shall survive any termination or expiration of this Agreement.

21. INTELLECTUAL PROPERTY RIGHTS.

- A. Copyrights. The Consultant shall retain the copyright (including the right of reuse) to all materials and documents prepared by the Consultant in connection with the Work, whether or not the Work is completed. The Consultant grants to the City a non-exclusive, irrevocable, unlimited, royalty-free license to use copy and distribute every document and all the materials prepared by the Consultant for the City under this Agreement. - B. Patents: The Consultant hereby assigns to the City all rights in any invention, improvement, or discovery, together with all related information, including but not limited to designs, specifications, data, patent rights and findings developed in connection with the performance of the Agreement or any subcontract hereunder. Notwithstanding the above, the Consultant does not convey to the City, nor does the City obtain, any right to any document or material utilized by the Consultant that was created or produced separate from the Agreement or was pre-existing material (not already owned by the City), provided that the Consultant has clearly identified in writing such material as pre-existing prior to commencement of the Work. To the extent that pre-existing materials are incorporated in the work, the Consultant grants the City an irrevocable, non-exclusive right and/or license to use, execute, reproduce, display and transfer the pre-existing material, but only as an inseparable part of the work.
- C. The City may make and retain copies of such documents for its information and reference in connection with their use on the project. The Consultant does not represent or warrant that such documents are suitable for reuse by the City or others, on extensions of the project or on any other project.

22. CONFIDENTIALITY.

- A. The Consultant understands that any records (including but not limited to bid or proposal submittals, the Agreement, and any other contract materials) it submits to the City, or that are used by the City even if the Consultant possesses the records, are public records under Washington State law, RCW Chapter 42.56. The City must promptly disclose public records upon a request to the City, unless a statute exempts them from disclosure. The Consultant also understands that even if part of a record is exempt from disclosure, the rest of that record generally must be disclosed.
- B. If the City receives a public disclosure request made pursuant to RCW Chapter 42.56, the City will not assert an exemption from disclosure on behalf of the Consultant. For materials that the Consultant has properly and clearly marked to be confidential, the City may notify the Consultant of the request and postpone the release of documents for ten business days to allow the Consultant to file a lawsuit seeking an injunction preventing the release of the documents pursuant to RCW 42.56.540. Any notification by the City to the Consultant is provided as a courtesy and not a City obligation. Unless the Consultant

obtains and serves an injunction upon the City before the close of business on the tenth business day after the date of the notification, the City may release the documents. It is the Consultant's discretionary decision whether to file the lawsuit.

- C. In order to request that material not be disclosed until receipt of notification of a public disclosure request, the Consultant must identify the specific materials and citations very clearly, following the instructions given by the City. The City will not withhold material for notification if the Consultant simply marked "confidential" on the document header, footer, stamped on all pages, or offered a generic statement that the entire document is protected. Only material specifically listed and properly cited to the City will be temporarily withheld until the City provides notification of a public disclosure request.
- D. If the Consultant does not submit a request following the instructions and forms that the City requires for such purpose, the Consultant is deemed to have authorized releasing any and all information submitted to the City.
- E. Notwithstanding the above, the Consultant must not take any action that would affect the City's ability to use services provided under this Agreement, or the Consultant's obligations under this agreement.
- F. The Consultant will fully cooperate with the City in identifying and assembling records that may be in the possession of the Consultant in case of any public disclosure request.
- G. The Consultant will possess, or have access to, information (both materials and information provided by the City or prepared for the City, as a result of the Work). This information is likewise to be treated by the Consultant as confidential. The Consultant will not permit the duplication or disclosure of such information to any persons (other than its own employee, agent or representative who requires such information for the direct performance of the Consultant obligations hereunder), unless such duplication, use or disclosure is specifically authorized in writing by the City. Such information does not include ideas, concepts, know-how or techniques related to information that, at the time of disclosure, is in the public domain unless the entry of that information into the public domain is a result of any breach of this Agreement. Likewise, information does not include that which has been independently developed, already possessed without obligation of confidentiality, or rightfully obtained from a third party without an obligation of confidentiality.

23. DISPUTES.

Any dispute or misunderstanding that may arise under this Agreement, concerning the Consultant's performance, shall first be through negotiations, if possible, between the Consultant's Project Manager and the City's Project Manager. If necessary, it shall be referred to the Director and the Consultant's senior executive(s). If such officials do not agree upon a decision within a reasonable period of time, either party may decline or discontinue such discussions and may then pursue the legal means to resolve such disputes, including but not limited to alternative dispute resolution processes. Nothing in this dispute process shall in any way mitigate the rights of the City to terminate the contract. Notwithstanding all of the above, if the City believes in good faith that some portion of the Work has not been completed satisfactorily, the City may require the Consultant to correct such work prior to the City payment. In such event, the City will provide to the Consultant an explanation of the concern and the remedy that the City expects. The City may withhold from any payment that is otherwise due, an amount that the City in good faith finds to be under dispute, or if the Consultant does not provide a sufficient remedy, the City may retain the amount equal to the cost to the City for otherwise correcting or remedying the work not properly completed.

24. TERMINATION.

- A. For Cause: The City may terminate the Agreement if the Consultant is in material breach of any of the terms of this Agreement, and such breach has not been corrected to the City's reasonable satisfaction in a timely manner.
- B. For Reasons Beyond Control of Parties: Either party may terminate this Agreement without recourse by the other where performance is rendered impossible or impracticable for reasons beyond such party's reasonable control, such as but not limited to, an act of nature, war or warlike operation, civil commotion, riot, labor dispute including strike, walkout or lockout, except labor disputes involving the Consultant's own employees, sabotage, or superior governmental regulation or control.
- C. For City's Convenience: The City may terminate this Agreement at any time, without cause and for any reason including the City's convenience, upon written notice to the Consultant.
- D. Notice: Notice of termination pursuant to this Section shall be given by the party terminating this Agreement to the other, not less than five (5) business days prior to the effective date of termination.
- E. Actions upon Termination: In the event of termination not the fault of the Consultant, the Consultant shall be paid for the services properly performed prior to termination, together with any reimbursable expenses then due, but in no event shall such compensation exceed the maximum compensation to be paid under the Agreement. The Consultant agrees that this payment shall fully and adequately compensate the Consultant and all subconsultants for all profits, costs, expenses, losses, liabilities, damages, taxes and charges of any kind whatsoever (whether foreseen or unforeseen) attributable to the termination of this Agreement.
- F. Upon termination for any reason, the Consultant shall provide the City with the most current design documents, contract documents, writings and other products the Consultant has produced to the date of termination, along with copies of all project-related correspondence and similar items. The City shall have the same rights to use these materials as if termination had not occurred; provided however, that the City shall indemnify and hold the Consultant harmless from any claims, losses, or damages to the extent caused by modifications made by the City to the Consultant's work product.

25. RESERVED.

28. EXPANSION FOR NEW WORK.

This Agreement scope may be expanded for new work. Any expansion for New Work (work not specified within the original Scope of Work Section of this Agreement, and/or not specified in the original RFP as intended work for the Agreement) must comply with all the following limitations and requirements: The New Work is not reasonable to separately solicit; (b) the New Work is for reasonable purpose; (c) the New Work was not reasonably known either the City or Consultant at time of contract or else was mentioned as a possibility in the solicitation (such as future phases of work, or a change in law); (d) the New Work is not significant enough to be reasonably regarded as an independent body of work; (e) the New Work would not have attracted a different field of competition; and (f) the change does not vary the essential identify or main purposes of the Agreement. Note that certain changes are not considered New Work subject to these limitations, including additional phases of Work that were anticipated at the time of proposal, extensions of time, Work Orders issued on an On-Call contract, and similar.

New Work must be mutually agreed and issued by the City Project Manager through written Addenda. Any costs due to the performance of New Work prior to execution of an Amendment may not be reimbursed under this Agreement or an Amendment.

29. MISCELLANEOUS PROVISIONS.

- H. Waiver: No covenant, term or condition or the breach thereof shall be deemed waived, except by written consent of the part against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed to be a waiver of any preceding or succeeding breach of the same or any other covenant, term or condition. Neither the acceptance by the City of any performance by the Consultant after the time the same shall have become due nor payment to the Consultant for any portion of the Work shall constitute a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City in writing.
